

## **SWIPCO Community Development Specialist, Atlantic, IA**

### **Description:**

Southwest Iowa Planning Council (SWIPCO), a council of governments serving the 8 counties of southwest Iowa headquartered in Atlantic, seeks a full time community development specialist. This is a professional planning position dealing with a broad range of issues from housing, transportation, grant writing/administration, to community and regional planning. A bachelor's degree in planning or related field required, master's preferred. Experience with compliance with government programs and planning skills should be highlighted. Frequent travel within the area using company vehicles and occasional travel outside the area required. Veterans encouraged to apply. Excellent benefits package including IPERS. Residency in the area required within 6 months of employment. Applicants from entry to mid-level (1-8 years experience) will be considered. Salary DOQ.

### **Qualifications:**

Bachelor's and/or Master degree in Planning or related field.

1-8 Years Experience
