

EXECUTIVE DIRECTOR

KOSSUTH & PALO ALTO COUNTY ECONOMIC DEVELOPMENT CORPORATION

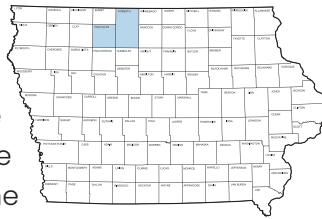

THE OPPORTUNITY

Kossuth/Palo Alto County Economic Development Corporation (K/PACEDC) is conducting a search for a top-tier, high-performing Economic Development Executive Director. This position offers an exciting opportunity to engage with local business, government, and community leaders and implement K/PACEDC's strategic plan for community and economic development within Kossuth and Palo Alto Counties. With support and leadership from the board, the Executive Director will be responsible for carrying out short- and long-term objectives of the strategic plan. The Executive Director will be the primary spokesperson and lead all aspects of the organization's efforts including planning, marketing, board management, project management, community and partner relations, business retention and expansion, and coordinating financial assistance opportunities for business startups or growth projects. Additionally, this position will manage the organization's budget, daily operations, hiring and personnel, programs, and revolving loan funds.

AREA OVERVIEW

Kossuth and Palo Alto Counties, located in Northern Iowa, have a population of 23,400. The counties are home to nearly 2,000 jobs in the manufacturing sector and 11,475 jobs overall. The area is proud of its major agricultural production and commercial and industrial base. Local businesses and industries benefit from a strong network of professional services to support their economic activities. Developed business/industrial parks in Algona and Emmetsburg and quick access to state and interstate highways offer attractive locations for expanding or relocating businesses. In the last decade, Kossuth and Palo Alto Counties have seen more than 150 successful business attraction, retention, and expansion projects. The counties are privileged to have Iowa Lakes Community College campuses, world class health care, affordable housing, low cost of living, a variety of recreation opportunities, and a strong sense of community.

THE ORGANIZATION

Kossuth/Palo Alto County Economic Development Corporation is a non-profit 501(c)(6) corporation formed over 25 years ago to serve as the leader in economic development in Kossuth and Palo Alto counties. The organization continually strives to enhance quality of life for all residents by leading strategic efforts in business development and expansion, job growth and retention, and marketing. K/PACEDC builds and maintains strong relationships with community and business leaders in the two-county region. More than 130 businesses invest in K/PACEDC annually to ensure Kossuth and Palo Alto counties maintain a viable and thriving economic development organization.

K/PACEDC maintains a strong offering of programs and services to ensure economic vitality in Kossuth and Palo Alto Counties. K/PACEDC prepares an annual business survey and economic impact report to evaluate the current economic development climate for businesses and industry, address potential barriers and challenges, and identify new areas for business attraction and expansion. For twenty-five years, K/PACEDC has successfully managed and grown one of the top college intern programs in the state. K/PACEDC coordinates an annual leadership development program to equip community and business leaders with the skills to grow within their organizations and the community. K/PACEDC also facilitates networking and educational meetings for city government, businesses, and special interest committees.

ESSENTIAL DUTIES

1. Establish an Annual Business Plan.
2. Implement a systematic and realistic approach to organizing and sustaining Kossuth/Palo Alto County Economic Development Corporations.
3. Meet with City Councils and community Economic Development Corporations on as needed basis or while working on a project for their community. Support Board members as they take the lead on educating local city councils on a regular or, as needed basis.
4. Assist communities by educating them on State and Federal programs and serve as an informational source. Be an educational resource for all communities.
5. Work directly with new and existing businesses to provide strategic assistance as they evaluate growth and expansion opportunities within Kossuth and Palo Alto County. These contacts include business management, president or corporate leaders, global site selectors, mayors, city council and city officials, local, regional and state economic development professionals.
6. Develop and maintain relationships, both internally and externally, to effectively manage issues impacting the organization's reputation, image, and member satisfaction.
7. Direct development, implementation and administration of the organization's programs available to support economic development groups and communities.
8. Provide expertise on business and community development to business and community partners regarding how decisions might impact communities, the county and new/existing business.
9. Manage the organization budget and business revolving loan program. Identify new funding sources in addition to membership retention.
10. Assist business and public sector partners in the site selection/expansion process, understanding of project finance packaging, skilled in state and local economic development resources and programs.
11. Be the facilitator for Iowa Economic Development Authority in making sure that communities will update their LOIS on an annual basis, or as required.
12. Work with UNI Institute of Decision-Making, Mid Iowa Growth Partnership, all Utility Partners, Professional Developers of Iowa and Iowa Economic Development Authority to help formulate a good foundation for Kossuth/Palo Alto County Economic Development Corporation. Network with City and County Officials, County Economic Developers, State Officials or any other Economic Partners.
13. This position needs to be visible and responsive to the needs of business, communities and elected officials in the county.
14. Maintain a professional office environment and oversee all office personnel.

ORGANIZATION GOALS & OBJECTIVES

K/PACEDC sets ambitious goals each year to lay the groundwork for regional growth. K/PACEDC builds partnerships and encourages economic growth by providing assistance to business and communities in Kossuth and Palo Alto Counties. We work to remove obstacles and offer assistance programs that foster job creation and local investment. K/PACEDC strategically looks at developing workforce tools to strengthen our local economic and economic opportunities. We continue moving forward into our next stage of development by continuing to retain and expand our local businesses, along with educating leaders on available programs that could assist their workforce and enhance business operations.
